Program Director
Station WYBC
New Haven, Conn.

Dear Howie,

I want to thank you for the program log. I don't know yet exactly how we are going to draw up a new one.

About the Yale-Princeton game. We are going to broadcast it, but have decided to haul up our own crew because it is relatively inexpensive. I'll be up there doing color next Wednesday. I think we will arrive about five or six in the evening. We'll probably come to YBC first so I could meet you there. We are coming back after the game so don't worry about accomadations for us.

I imagine you will be in New York the following Friday for the ~~my~~ meeting at NBC. It looks good so far and I see no reason why we couldn't have a few drinks with some of the boys that evening.

Sincerely,

Charlie
